Tū Manawa Active Aotearoa Fund

About

Tū Manawa Active Aotearoa provides funding for programmes or projects that activate and deliver sport, active recreation and play experiences for tamariki and rangatahi that are easily accessible and strive to create a lifelong love of being physically active. As this is an activation fund, priority will be given to programmes or projects that provide new experiences for those young people who are less active and more likely to be faced with inequitable opportunities to be physically active. We welcome applications for this fund for sport, active recreation and play projects from eligible organisations.
