## BUSINESS INDUSTRY PROGRAMMES

- We can provide you information on the implementation of the following: Environmental Audits, Cleaner Production, Environmental Management Systems (EMS) including ISO1401 compliance, Hazardous Waste Programme and the Sustainable Business Network.
- If you are a company involved in tourism you may wish to know more about the Green Globe programme which focuses on sustainable tourism. Go to <http://www.greenglobenz.com/>

Council can also link you to a number of programmes including:

- The Natural Step  
<http://www.thenaturalstep.org.nz/>.
- Landcare's EnviroSMART Programme  
<http://www.enviroSMART.co.nz/>

We have a booklet that might be helpful for your business based on the Environmental Management System programme titled:

- [Making Better use of Your Resources](#)
