## **Notes on Registration**

All dog owners with dogs ordinarily kept in the Marlborough district must register their dogs with Marlborough District Council.

All dogs over the age of three months must be registered.

It is an offence to keep a dog older than three months which is unregistered. On conviction, a court may impose a fine of up to \$3000.

On completing this form properly, you should post or deliver this form, together with the appropriate fees, to the Dog Registrar at Animal Control at the address detailed on the front of this form or deliver these items to the Animal Control offices. In Picton you can go to the Picton Library.

It is an offence, when applying for the registration of a dog, to make any written statement knowing that statement to be false. On conviction, a court may impose a fine of up to \$3000.

Replacement discs and collars may be obtained from Animal Control for \$3.50 if the current disc or collar has been lost or stolen.

Any dog not wearing a collar having a current registration label or disc attached will, until the contrary is proved, be treated as unregistered.

On change of ownership of any registered dog, both the previous owner and the new owner must, within 14 days, give written notice to Animal Control of the change of ownership and the residential address of the new owner and the address at which the dog will be kept. It is an offence not to comply with this requirement. On conviction, a court may impose a fine of up to \$500.

If the owner's address is changed within the district, the owner must, within 14 days, give written notice of the change to Animal Control.

If any dog is transferred to and kept in the district of another territorial authority, other than the one in which it has been kept, for one month or more, the owner must, within six weeks of the transfer, give written notice of the transfer to both territorial authorities, setting out the address at which the dog will be kept. It is an offence not to comply with this requirement. On conviction, a court may impose a fine of up to \$500.

If the fee for the registration of a dog is paid and that dog dies, a refund will be made on request as follows:

- Where a dog dies before the commencement of the registration year, the full fee will be refunded.
- Where the dog dies during the registration year, 1/12<sup>th</sup> of the annual fee for each complete month remaining in the registration year after the date of application for a refund will be refunded.
- The amount of the refund is calculated from the day Animal Control is advised.

If any dog is first required to be registered after 1 August in any registration year, the fee shall be 1/12<sup>th</sup> of the annual fee for each complete month remaining in the registration year after the date of such registration.

If any dog over the age of three months is found not wearing a collar with a current registration label or disc attached, on land or premises other than its owner's land or premises, or in any public place, the dog may be seized and impounded.

The registration fees include goods and services tax.
