**Note**

Generally each property shall have its own sewer connection and each property shall have only one water connection. Any departure from this will only be allowed if written permission has been obtained from the Manager, Assets and Services Department following written application from the **owners** concerned. Permission will only be given if there is a particular problem due to the level or nature of the property concerned. The standard connection fee applies only to the first 20 mm connection. All other connections will be charged at actual cost with a minimum of the standard fee.
