Subject: UAE request for The New Zealand King Salmon Company - Waitata Reach (U140294), Richmond Bay (U140295) & Ngamahau Bay (U140296).

To whom it may concern;

A request for an aquaculture decision for the new New Zealand King Salmon fish farms at Waitata Reach (U140294), Richmond Bay (U140295) & Ngamahau Bay (U140296) was lodged with the Ministry of Primary Industries on 22 April 2014 (attached).

An issue has arisen around the timing of requests to be made in light of concurrent applications. The provisions in the Resource Management Act and the Aquaculture Guidance notes are unclear in terms of concurrent applications.

In light of this ambiguity and uncertainty, a pragmatic approach has been agreed where the Marlborough District Council will withdraw the requests and resubmit once the relevant plan change is operative.

Please remove the UAE requests for U140294, U140295, and U140296.

We apologize for any inconvenience this may cause.

It would be greatly appreciated if you could acknowledge when this has been completed.

All the best

Bruno Brosnan
