Subject: RE: UAE request for NZKS Sites

Dear Bruno

Thank you for forwarding a copy of the aquaculture decision request for coastal permits U140294, U140295 and U140296.

I wish to advise that the Ministry is consulting with fishers on the three resource consents in accordance with section 186E(3) of the Fisheries Act. The consultation period finishes on 24 September.

Please note that the period for consultation is excluded from the 20 working day period for making an aquaculture decision, as provided in section 186E(2) of the same Act. I will advise the applicant of this fact.

Please contact me if you have any questions.

Regards
