Dear Quentin and Peta,

Commencement of Coastal Permits – The New Zealand King Salmon Company – Waitata Reach (U140294), Richmond Bay (U140295) & Ngamahau Bay (U140296).

The judicial review period for coastal permits U140294, U140295 and U140296 expired on 12 December 2014. I have been informed that the Ministry of Primary Industries has not been notified of any judicial review proceedings and therefore the director general's decision can be treated as having been made.

Accordingly, pursuant to section 116A(2)(b) of the Resource Management Act 1991, the Marlborough District Council hereby notifies the consent holder that coastal permits U140294, U140295 and U140296, as delineated within those permits, have commenced.

Please do not hesitate to contact me if you have any questions or concerns regarding the above matters.

Yours sincerely,

Bruno Brosnan
