Dear Mark

### **Compliance with Consents U140294 and U140295: Condition #59**

Thank you for your letter dated 13 March 2015 in relation to NZ King Salmon's consents to farm salmon at Waitata and Richmond.

The information you have provided consists of confirmation that the Tangata Whenua Panel have been consulted over the preparation of the baseline report for each farm site.

Council confirms that the information provided complies with condition #59b of both consents, as it relates to reviewing and providing input to the preparation of the Baseline Report required by consent 56.

Please note that condition 59 does not solely relate to the preparation of the Baseline Report. It also includes the preparation of the MEM-AMP and the Annual Report (#59b), as well as providing the Tangata Whenua Panel with the opportunity to receive and discuss the results of all monitoring and analysis required by the conditions of this consent (#59a).

Yours sincerely
