Dear Applicant

Resource Consent Fees - Additional Charges Payable

Please find enclosed an invoice for additional fees payable for the processing of your resource consent application. The fee is the difference between the initial lodgement fee and the actual and reasonable costs incurred by Council in processing your resource consent.

This fee is charged in accordance with Section 36(3) of the Resource Management Act 1991 and Marlborough District Council's resource consent schedule of fees.

The total additional fees are \$166.91 which is the result of time taken to complete the consent by Council staff after deduction of the lodgement fee. This invoice is due by the 20th day of the month following the date the invoice is issued, unless an objection is lodged.

Any objections under Section 357 of the Resource Management Act 1991 must be made in writing, setting out the reasons for the objection within 15 working days of receipt of this letter. Any queries should be directed to the undersigned.

Yours sincerely

ANNA EATHERLEY
