Dear Mark

## **Compliance with Consent U140295: Condition 29 – Navigational Information and Safety**

Thank you for your letter dated 4 March 2016 which enclosed a notification letter to the Harbourmaster, Land Information New Zealand and iwi under condition 29 of the Richmond consent.

The notification letter is required one month prior to the initial placement of the first structure(s) at the marine farm, and includes a farm layout plan.

We note that a further notification letter is required when the final farm layout plan is submitted after installation in accord with condition 20.

Yours sincerely

**STEVE URLICH  
ENVIRONMENTAL SCIENTIST (COASTAL)**
