Good Morning Mark,

Thanks for the peer panel review comments relating to Waitata and Ngmahau.

Are you able to please provide me with the Kopaua peer review panel comments as well? I still haven't been able to locate them on your website – can you please send me a link?

With thanks,

Good morning Mark,

Thank you very much for sending through this MEMAMP, please take this as confirmation it has been received.

I see that condition 72 of resource consent U140294 (Waitata) requires copies of the Peer Review Panel to be provided to Council as well as being published on the consent holder's website. Are you able to please provide me with a copy of the latest report and direct me to where they are on your website?

With thanks,
