Subject: RE: Extension for McGuinness Institute Submission for Publicly Notified Resource Consent U190438

Good morning Josie

Thank you for your email requesting an extension for McGuinness Institute Submission for Publicly Notified Resource Consent U190438. Council is bound by section 37A(1)(a) to avoid unduly lengthening or increasing the cost of a consent process for the applicant while at the same time enabling potential submitters to make an informed and thorough submission. The extension you have requested due to other work commitments is of short duration, is unlikely to delay the process and enables you to make an informed and thorough submission. Therefore Council considers the extension acceptable and will extend the submission period until Friday 20th December 2019.

Regards

Anna Eatherley B.T.P., M.Phil. (Hons), M.N.Z.P.I.

Subject: Extension for McGuinness Institute Submission for Publicly Notified Resource Consent U190438

Hi Anna (and team),

Hope you and the team at MDC are well and are looking forward to a nice holiday break.

I am writing to please formally request for an extension for the McGuinness Institute Submission for Publicly Notified Resource Consent U190438 (on behalf of chief executive Wendy McGuinness) until Friday 20th December as the Institute has another submission due at this time.

Please let us know if this is possible.

Warm regards,
Josie (on behalf of Wendy McGuinness)
