Subject: RE: NZKS mooring maintenance plan

Hi Mark,

Thank you for providing the amended Marine Farm Mooring Monitoring and Maintenance Schedule as per condition 22 of U140296 and condition 24 of U140295 and U140294

Please take this email as confirmation that the above conditions have been adhered to.

I note that the schedule provided also complies, in-part, with condition 23b of U160675 and condition 26b of U150081.

P.S. I forgot to mention in my previous email regarding the mooring plan for Clay Point that it is fantastic to see that it has been moved off the reef.

Ngā mihi,
