Morning Mark,

Please could you provide me with the 2019/2020 greywater discharge volumes for Te Pangu; Waitata; Ngamahau and Kopaua. Please could you also provide a copy of the feed log for Te Pangu.

I will need both of these for Clay Point once that report is ready too so if it is easier for you to gather that information at the same time please feel free to send it through in anticipation.

With thanks,
