

arrived. 10/17

U040217 - Otanerau		
#	Conditions	
4	That the occupancy be limited to the 7.55 hectare area (marked 'U040217') illustrated on the plan attached to this consent, and confined to the area specified within the schedule of New Zealand Map Grid co-ordinates.	Avenza confirms within consented area
5	That the structures be limited to anchors, ropes, droppers, cages, racks, floats and lights associated with the farming of the approved species within the boundaries of the consent area. All structures shall be situated and secured so as to remain within the boundaries of the 2.0 hectare area approved for placing of structures. The number of structures shall be at the discretion of the consent holder, but shall not exceed the area shown on the attached plan (maximum 2.0 hectares).	11 all structures appear to be secure.
6	That the placement of marine farm lighting and marking shall be approved by the Harbourmaster under his Maritime Delegation from the Director of Maritime New Zealand pursuant to Sections 200, 444(2) and 444(4) of the Maritime Transport Act 1994. The approved lighting plan is attached.	all there - Jason confirms good, lighting is in accordance with lighting plan
7	That each corner of the combined cage structure carries the name of the consent holder, and the site number issued by Marlborough District Council (#8396), displayed in bold clear letters in such a manner that they can be clearly read from a distance of 10 metres.	image taken, not on each corner

tension check on moorings occurring currently
↳ engineer ocd requires tension checks as per mooring maintenance policy.
farm moved south, pens from day 1 moved in Jan
- mooring plans etc. will be provided to monitoring inbox in future.
