

# Been affected by the August 2022 storm?

## Need help to navigate your way around?

We know how much you want to get back on your feet.  
Marlborough District Council's Recovery Team has a navigator to help.

---

### How can a navigator help me?

Navigators:

- Help you access a range of available information, services and resources
- Support your recovery
- Offer a personalised service

The service is free – and confidential.

### Navigators provide you with wrap around services:

- Provide one-on-one support and assistance
  - Up to date information, while connecting you to other support agencies, e.g. Work and Income, MBIE, etc
  - Help you to gain access to specialist services, e.g. legal or insurance advice
  - Updates on grant applications / financial assistance available
  - Housing issues or Temporary Accommodation
  - Access to social and health services
-
