Notes for Applicants:

Objective of the Policy:

To limit the incidence of multiple charges where a farming or other business entity consists of a number of contiguous rating units with different owners.

Conditions and Criteria:

Each rating unit must be leased to the operator for a term not less than five years.

The operator must provide Council with a statutory declaration confirming that each unit will be operated as part of the entity.

The ratepayer will remain liable for at least one uniform annual general charge-type and one set of each type of targeted rate calculated as a fixed amount per rating unit.

Applications received during a rating year will be applicable from the commencement of the following rating year. All applications must be on the prescribed form and will not be backdated.

Application:

The extent of any remission shall be determined by the Council or its delegated officer(s).
