## Notes for Applicants:

### Objective of the Policy:

To provide relief from General-type Uniform Charges and Targeted Charges on rural pastoral land which is non-contiguous, provided it is farmed as a single entity with the ratepayer(s) in common.

### Conditions and Criteria:

Non-contiguous pastoral units may qualify for a remission of uniform annual general charges and targeted rates calculated as a fixed amount per rating unit where Council agrees that the economics of each farm property are inter-dependent on the other. The ratepayer will remain liable for at least one uniform annual general charge and one set of each type of targeted rate calculated as a fixed amount per rating unit.

Only one residential unit can exist on the qualifying rating units except where the farm contains accommodation on a rent free basis for the owner or staff associated with the farm.

Applications received during a rating year will be applicable from the commencement of the following rating year. All applications must be on the prescribed form and will not be backdated.

### Application:

Council or its delegated officer(s) shall determine whether the criteria are met.
