

Potential wetland weeds

Common name	Scientific name
Himalaya honeysuckle	Leycesteria formosa
Japanese honeysuckle	Lonicera japonica
Radiata pine	Pinus radiata
Maritime Pine	Pinus pinaster
blackberry	Rubus fruticosus
grey willow	Salix cinerea
Crack willow	Salix fragilis
rush	Juncus acuminatus
Spanish heath	Erica lusitanica
alder	Alnus glutinosa
royal fern	Osmunda regalis
Male fern	Dryopteris filix-mas
Chinese privet	Ligustrum sinense
Tree privet	Ligustrum lucidum
Chilean rhubarb	Gunnera tinctoria
old man's beard	Clematis vitalba
Climbing asparagus	Asparagus scandens
Smilax	Asparagus asparagoides
Banana passionfruit	Passiflora tripartita and tarminiana
Strawberry dogwood	Cornus capitata
European broom	Cytisus scoparius
Chilean needle grass	Nassella neesiana
parrot's feather	Myriophyllum aquaticum
oxygen weed	Lagarosiphon major
jointed rush	Juncus articulatus
oxygen weed	Elodea canadensis

Gypsywort*	Lycopus europaeus
Blueberry*	Vaccinium corymbosum
heath rush	Juncus squarrosus
Hornwort*	Ceratophyllum demersum
Egeria	Egeria densa
wild plum	Prunus sp.
barberry	Berberis glaucocarpa
jerusalem cherry	Solanum pseudocapsicum
tradescantia	Tradescantia fluminensis
Willow leaved hakea	Hakea salicifolia
Nassella tussock	Nassella trichotoma
montbretia	Crocasmia x crocosmiiflora
periwinkle	Vinca major
Australian Blackwood	Acacia melanoxylon
arum lily	Zantedescia aethiopica
sharp rush	Juncus acutus
bulbous rush	Juncus bulbosus
Carex scoparia*	Carex scoparia
purple loosestrife	Lythrum salicaria
yellow flag iris	Iris pseudacorus
Manchurian wild rice*	Zizania latifolia
Phragmites*	Phragmites australis
reed sweet grass	Glyceria maxima
reed canary grass	Phalaris arundinacea
parrot's feather	Myriophyllum aquaticum
oval sedge	Carex ovalis
Lagarosiphon	Lagarosiphon major
prickly hakea	Hakea sericea

bulbous rush	<i>Juncus bulbosus</i>
sharp rush	<i>Juncus acutus</i>
pampas	<i>Cortaderia jubata, C. selloana</i>
gorse	<i>Ulex europaeus</i>
Hawthorn	<i>Crataegus monogyna</i>
Wattles	<i>Acacia sp</i>
Hops	<i>Humulus lupulus</i>
Monkey apple	<i>Syzygium smithii</i>
Kahili ginger	<i>Hedychium gardnerianum</i>
Holly	<i>Ilex aquifolium</i>
Sycamore	<i>Acer pseudoplatanus</i>
Cherry laurel	<i>Prunus laurocerasus</i>
Wilding kiwifruit	<i>Actinidia Deliciosa</i>
Briar rose	<i>Rosa rubiginosa</i>
Senegal Tea	<i>Gymnocoronis spilanthoides</i>
Eel Grass	<i>Vallisneria australis</i>
African Feather Grass	<i>Pennisetum macrourum</i>
Red cestrum	<i>Cestrum elegans and Cestrum fasciculatum</i>
Yew	<i>Taxus baccata</i>
Stinking iris	<i>Iris foetidissima</i>
Jasmin	<i>Jasminum polyanthum</i>
Mountain grape	<i>Mahonia lomariifolia</i>
Boxthorn	<i>Lycium ferocissimum</i>
Tasmanian Ngaio	<i>Myoporum insulare</i>
Balm of Gilead	<i>Cedronella canariensis</i>
Water Plantain	<i>Alisma plantago-aquatica</i>
Black poplar	<i>Populus nigra</i>
Ivy	<i>Hedera helix</i>

Cotoneaster

Cotoneaster coriaceus

Woolly nightshade

Solanum mauritianum

Bamboo species

Phyllostachys sp

Fan Palm

Washingtonia robusta

Phoenix Palm

Phoenix canariensis

Oak

Quercus robur

Elaeagnus

Elaeagnus x reflexa
