The **Marlborough Environment Centre [MEC]** wishes to be a party to the following proceedings:

ONEFORTYONE (previously NELSON FORESTS) v Marlborough District Council (concerning the proposed Marlborough Environment Plan).
ENV-2020-CHC-54

MEC made a submission about the subject matter of the proceedings.

MEC is not a trade competitor for the purposes of section 308C or 308CA of the Resource Management Act 1991.

MEC is interested in part of the proceedings.

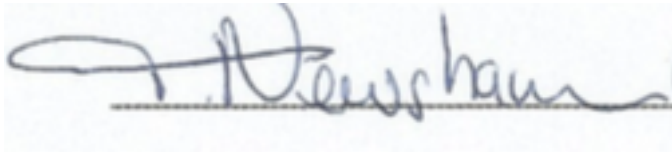

The part of the proceedings MEC is interested in is set out in the appellant's notice of appeal at section F (*Parts of the decision appealed against*) and labelled point 15.

MEC is interested in the following particular issues:-

– Plantation Forest Harvesting - Coastal Environment Zone - Restricted Discretionary Activity

MEC opposes the relief sought because it will fail to achieve the objectives and policies of the Marlborough Environment Plan and the New Zealand Coastal Policy Statement and thereby fail to support or encourage sustainable management of the Coastal Environment and Coastal Marine zones.

MEC agrees to participate in mediation or other alternative dispute resolution of the proceedings.
