

Proposed Marlborough Environment Plan

Minute of the Hearing Panel

Minute 3AG

On 18 December 2017, the Proposed Marlborough Environment Plan Hearing Panel (the Panel) received a request from Heritage New Zealand Pouhere Taonga who sought an extension for filing evidence for Topic 8: Heritage and Notable Trees.

Heritage New Zealand Pouhere Taonga requested that the date for filing their evidence be extended to 5 March 2018 on the grounds that workshops with landowners had been planned for mid-February. Subsequent to those meetings, the outcomes from the workshops, along with other consultations, would need to be incorporated into their evidence for the hearing. In order to accommodate this, additional time would be required.

The Panel considered the request to be reasonable and granted the extension for filing to 5 March 2018.
