

Proposed Marlborough Environment Plan

Minute of the Hearing Panel

Minute 3AU

On 9 April 2018, the Proposed Marlborough Environment Plan Hearing Panel (the Panel) received a request from counsel for Timberlink New Zealand Limited (Timberlink) for additional time to present at the hearing of Topic 10: Urban Environments.

Timberlink's request sought an additional 30 minutes to present legal submissions and evidence. As part of the request, Timberlink provided a list of those presenters and sought a brief time for each person to speak.

Given the matters that Timberlink will be addressing at the hearing, the Panel agreed the additional time was appropriate. The Panel granted a 50 minute time slot to be heard at the Urban Environments topic.
