

Proposed Marlborough Environment Plan

Minute of the Hearing Panel

Minute 3AW

On 5 May 2018, the Proposed Marlborough Environment Plan Hearing Panel (the Panel) received a request from the New Zealand Transport Agency (the Agency) to be heard out of sequence.

The Agency requested to be heard on all three Block 6 topics at one appearance in order to minimise the travel requirements.

The Panel considered the content of the Agency's submissions on Topic 9: Natural Hazards, Topic 15: Transportation and Signage and Topic 20: Designations and Utilities and agreed no issue would arise from these topics being presented at one appearance. The Panel granted the request to be heard on all Block 6 topics during the hearing of Topic 9: Natural Hazards.
