

## **Proposed Marlborough Environment Plan**

### **Minute of the Hearing Panel**

#### **Minute 3AY**

On 8 May 2018, the Proposed Marlborough Environment Plan Hearing Panel (the Panel) received a request from the KiwiRail Holdings Limited (KiwiRail) to be heard out of sequence.

KiwiRail requested to be heard on all three Block 6 topics at one appearance in order to minimise travel requirements. KiwiRail further noted the evidence they lodged for the Natural Hazard topics was limited.

The Panel considered the content of KiwiRail's evidence on Topic 9: Natural Hazards, Topic 15: Transportation and Signage and Topic 20: Designations and Utilities and agreed no issue would arise from these topics being presented at one appearance. The Panel granted the request to be heard on all three topics during the first week of the Block 6 hearing on Topic 15: Transportation and Signage and Topic 20: Designations and Utilities
