

Proposed Marlborough Environment Plan

Minute of the Hearing Panel

Minute 3BN

On 25 January 2019, the Proposed Marlborough Environment Plan Hearing Panel (the Panel) received a request from Nelson Marlborough Fish and Game (Fish and Game) seeking additional time to present at the Topic 4: Water Allocation hearing.

In its request, Fish and Game sought a 1.5 hour timeslot to present, citing the need for a wide array of expert witnesses to adequately address a topic fundamental to their organisation. They further stipulated the number and areas of expertise of those persons.

The Panel acknowledged that the expert's knowledge would be highly beneficial to their consideration of the topic's subject matter and agreed a 1.5 hour timeslot would be suitable under the circumstances.

Fish and Game were granted a 1.5 hour timeslot during the hearing of Topic 4: Water Allocation.
