

## **Proposed Marlborough Environment Plan**

### **Minute of the Hearing Panel**

#### **Minute 3BQ**

On 01 February 2019, the Proposed Marlborough Environment Plan Hearing Panel (the Panel) received a request from the Awatere Water Users Group seeking additional time to present at the Topic 4: Water Allocation hearing.

In its request, the Awatere Water Users Group sought a one hour timeslot in order to adequately present evidence on a topic critical to water users in the Awatere River catchment. They noted that the organisation represented a substantial number of water users in that catchment. Further, the Awatere Water Users Group provided a list of the water users who would be called to speak on the organisation's behalf.

The Panel acknowledged the extensive number of water users that the Awatere Water Users Group represents.

Due to the above reason, the Panel granted the additional time. The Awatere Water Users Group would be provided a one hour timeslot at the hearing of Water Allocation.

Dated 4 February 2019

A handwritten signature in black ink, appearing to read 'T Hook', with a small dot at the end.
