

Proposed Marlborough Environment Plan

Minute of the Hearing Panel

Minute 3C

On 1 November 2017, the Proposed Marlborough Environment Plan Hearing Panel (the Panel) received a request from Horticulture New Zealand for an extension to the timeframe for providing evidence for Topics 1 and 3*. The Panel's First and Second Minutes set the deadline at 6 November 2017.

Horticulture New Zealand has sought a three day extension to 5pm, Thursday 9 November. The reason, set out in an email from Horticulture New Zealand's Environmental Policy Advisor, was to provide time for the Advisor to meet with the organisation's local members.

As the Advisor has only recently commenced her role with Horticulture New Zealand, this is considered to be a reasonable request and we therefore grant it.

*The email from the Environmental Policy Advisor actually specified "Topic 2" but it is assumed from the remaining content of the email that this was meant to specify Topic 3.
