

Proposed Marlborough Environment Plan

Minute of the Hearing Panel

Minute 31

On 16 November 2017, the Proposed Marlborough Environment Plan Hearing Panel (the Panel) received a request from the Department of Conservation for an extension to the date of filing evidence for Block 2 to 2 February 2018.

The Department of Conservation requested a later filing date due to the extent of their submission points on Topic 5 and 6 matters. They further noted that the experts who will be formulating their evidence have other substantial commitments prior to the 11 December 2017 due date.

The Panel considered the Department of Conservation's request to be reasonable and granted the extension for filing to 2 February 2018.
