

## **Proposed Marlborough Environment Plan**

### **Minute of the Hearing Panel**

#### **Minute 3L**

On 23 November 2017, the Proposed Marlborough Environment Plan Hearing Panel (the Panel) received a request from Fishing Industry Submitters to be heard out of sequence.

Fishing Industry Submitters sought to speak to their submission points associated with Block 1 matters at the hearing of Block 2. The Association's submission points relating to Block 1 were minimal and their content closely associated to the more substantive points that they raised in their submission which fall within Block 2 topics.

The Panel considered the request to be reasonable and therefore granted it.
