

## **Proposed Marlborough Environment Plan**

### **Minute of the Hearing Panel**

#### **Minute 3N**

On 30 November 2017, the Proposed Marlborough Environment Plan Hearing Panel (the Panel) received a request from the Ministry for Primary Industries (MPI) for an extension to the date of filing evidence for Block 2 to 2 February 2018.

MPI noted their evidence will be coordinated with other Crown submitters such as The Department of Conservation, who have already received an extension to filing (see Minute 3I). MPI further stated that their evidence would be substantial in nature and the extra time would be necessary to adequately cover the topics in Block 2.

The Panel considered MPI's request to be reasonable and granted the extension for filing to 2 February 2018.
