

Proposed Marlborough Environment Plan

Minute of the Hearing Panel

Minute 30

On 30 November 2017, the Proposed Marlborough Environment Plan Hearing Panel (the Panel) received a request from Climate Karanga Marlborough for an extension to the date of filing evidence for Block 2, to 2 February 2018.

Climate Karanga Marlborough requested an extension on the basis that two of their experts, Professor James Renwick and Dr Judith Lawrence, had previous commitments that would impede them from drafting their evidence by the required due date of 11 December 2017.

The Panel considered Climate Karanga Marlborough's request was reasonable in relation to the provision of evidence of Professor James Renwick and Dr Judith Lawrence and granted them an extension to filing to 2 February 2018. The Panel noted that if Climate Karanga Marlborough were to provide any evidence additional to those stated above, this would need to be lodged by 11 December 2017.
