

Proposed Marlborough Environment Plan

Minute of the Hearing Panel

Minute 3BH

On 11 October 2018, the Proposed Marlborough Environment Plan Hearing Panel (the Panel) received a request from the New Zealand Defence Force (NZDF) seeking further time to file evidence.

NZDF had received an addendum to the Section 42A Report for Topic 18: Nuisance Effects and Temporary Military Training, on 15 October 2018 and noted they were to be provided 10 working days from receipt of that report to file evidence relating to it. With that in mind, they further requested that all their evidence for Block 10 topics be filed at the same time due to their interrelatedness.

Considering the circumstances, the Panel agreed that all NZDF's evidence and legal submissions for Topic 18: Nuisance Effects and Temporary Military Training and Topic 13: Resource Quality (Air) would fall due on 31 October 2018.
