

## **Proposed Marlborough Environment Plan**

### **Minute of the Hearing Panel**

#### **Minute 3BK**

On 19 October 2018, the Proposed Marlborough Environment Plan Hearing Panel (the Panel) received a request from Talley's Group Limited (Talley's) seeking firstly, an extension to the filing date of evidence for Topic 21: Zoning and Definitions and secondly, additional time to present their evidence and legal submissions at the relevant hearing.

In its request, counsel for Talley's stated there had been a delay in obtaining instructions from their client due to a change in the primary contact. As a mitigating factor to their request, they noted that the late evidence would only consist of brief planning evidence.

The request for an additional 10 minutes to address the Panel was premised on the fact that both legal submissions and planning evidence would be presented.

As the evidence to be filed would be brief, the Panel granted the request for an extension to the date for filing to 26 October 2018. On the basis that both legal submissions and expert evidence would be provided at the hearing, the Panel also granted the additional time. Talley's would be provided 30 minutes to present at the hearing of Topic 21: Zoning and Definitions.

Dated 25 October 2018

A handwritten signature in black ink, appearing to read 'T Hook', with a small flourish at the end.

Councillor Trevor Hook

Chair of the MEP Hearing Panel
