

Proposed Marlborough Environment Plan

Minute of the Hearing Panel

Minute 3BL

On 19 October 2018, the Proposed Marlborough Environment Plan Hearing Panel (the Panel) received a request from Dominion Salt Limited seeking an extension to the filing date for Topic 13: Air Quality.

In its request, counsel for Dominion Salt Limited explained that both their primary and secondary contacts for the company were on leave and therefore they would need further time to prepare evidence. They considered 5:00pm on 26 October to be reasonable.

Considering the limited evidence that had been received for the Topic 13: Air Quality topic, the Panel were comfortable that the process would not be impeded by the extensions and granted the request. Dominion Salt Limited's evidence for the Air Quality hearing would now fall due on 26 October 2018.
