

Proposed Marlborough Environment Plan

Minute of the Hearing Panel

Minute 56A

On 18 March 2019, the Proposed Marlborough Environment Plan Hearing Panel (the Panel) received a request from Graeme Clarke seeking to be heard on Topic 5 matters at Block 13, to be held on 29 April 2019.

The Panel reiterates what had been stated in Minute 51, that the hearing is designed solely to enable those who did not receive earlier notices to be provided an opportunity to address the Panel. On inspection of the records held by Council, it is clear Mr Clarke was provided hearing notices to the relevant topics. The relevant hearing notices clearly identified the submission points relevant to each hearing.

The Panel further noted Mr Clarke did not provide any reasons with his request to be heard.

In consideration of the circumstances stated above, the Panel refused Mr Clarke's request to present at the Block 13 hearing.
