

Marlborough Road Recovery Team

High Level Programme of Access by Recovery Area

As of 2 November 2021

Marlborough Roads

The programme table on the next page provides a high-level update of road access in the recovery area.

As access is subject to ongoing change, [subscribe](#) to the weekly project updates for the latest information. You can also check the Marlborough Civil Defence Emergency Management Official Public Information Map [here](#).

How to read the programme table

Bolded text in the programme table overleaf refers to changes since the last update on 7 October 2021.

“RP” refers to the “Road Position” in kms from the start of the road or a nearby landmark.

“HCV” refers to “Heavy Commercial Vehicle”

A key for other wording that is used can be found at the end of this document.

DEFINITION KEY

No Access – Road Closed means:	Public Access (restricted) means:	Public Access means:
<ul style="list-style-type: none"> • Sections may be impassable for any vehicle. • There may be controlled pedestrian access at some sites. 	<ul style="list-style-type: none"> • HCV restrictions. • Towing length restrictions. • Section may be closed due to weather or other event. 	<ul style="list-style-type: none"> • Possible speed restrictions. • Possible lane restrictions. • Road works. • Possible delays.
Controlled Access		
<p>Controlled Access refers to the following constraints:</p> <ul style="list-style-type: none"> • A high risk of road closure. • Access may be restricted at times. • Delays can be expected. • No vehicle combination length over 12.6m allowed - there is a risk to towing even under this length. It is the driver's responsibility to ensure safe passage. • Permitting will be required for this level of access. • No heavy vehicle above 3.5t allowed; some specific locations may have permitted heavy vehicle access. • Reminder that road conditions and access status can change frequently and without warning due to weather conditions, which could limit access. 		
Controlled Access allows access for:		
<p>Permanent residents, eg:</p> <ul style="list-style-type: none"> • "Essential service provider" professional services with evidence of supporting welfare needs, eg, emergency property repairs, insurance assessments. • The owner of a holiday home/bach or land. • The owner of a commercial interest. • An essential service supporting a commercial interest. • Emergency Services. 	<p>Visitors:</p> <ul style="list-style-type: none"> • Visitors, ie someone who is visiting a property owner/resident who is present at the property at that time - does not apply to guests who are borrowing or renting accommodation. • Visitors are not able to drive vehicles into the Controlled Access areas in any of the recovery zones. ie non-resident vehicles are not allowed in these areas. • Residents with passes are able to pick their visitors up from Public Access points across 	<p>Holiday accommodation guests:</p> <ul style="list-style-type: none"> • Lodge operators can use the road under the resident access permitted system, to collect and transport guests to holiday accommodation. • Tourist operators can apply for an access permit but will be considered on a case-by-case basis. • Holiday accommodation providers' guests, ie Airbnb and similar, can water taxi in or get a shuttle service from wharf to accommodation. Non-resident vehicles are not allowed in these areas.

	the recovery area and transport them to their property.
