

Completing this form does not mean you are certain to receive additional or new broadband coverage. CIP will verify your information and then either add you to our list of possible new coverage, or if we find you do have options available to you, we will provide your details to the relevant internet service provider if you have agreed for us to share your information by ticking the box below.

Just fill in the form below and return in the enclosed envelope.

OR:

If you do have access to internet at work, school, library or other place, you can fill in the form directly on the following website: www.crowninfrastructure.govt.nz/ruralbroadband/RUSregistration

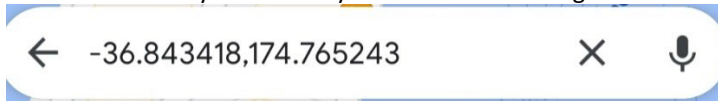

Helpful information:

Providing CIP with your Latitude and Longitude coordinates is the most helpful and accurate way for us to ensure your residence is included for possible coverage.

How to generate your Latitude and Longitude co-ordinates:

Android and Apple smart phones (with no internet connection):

1. Open Google Maps App
2. Find your location
3. Click on the point of your location with your finger and hold
4. In the search box you will find your Latitude and Longitude

Please ensure your WIFI is turned off on your mobile phone, to ensure accurate coordinates

If you currently have no or poor internet service in your principal residence, please complete your details below

First name	Last Name
Email address	Iwi/Hapū
Address	Address
Region	Postcode
PO Box (if relevant)	RD number (if relevant)
Latitude	Longitude
Phone number	

Thank you for participating in the Remote Users Scheme (RUS). By providing Crown Infrastructure Partners Limited (CIP) with your personal information in connection with the RUS, you authorise us to collect, use and disclose your personal information in accordance with our RUS Privacy Policy. Please read our Privacy Policy for full details – a copy has been provided to you and is available on our website (www.crowninfrastructure.govt.nz/ruralbroadband/RUS) or on request from us.

[] In some contexts, your registration of interest may highlight that you are not aware that broadband is already available for your residential address. If that is the case, you authorise CIP to disclose your personal information to selected broadband service providers to enable them to contact you about broadband services that may be available to you.

Crown Infrastructure Partners will be in contact with you again after the completion of our public tender process. As you have registered, there is nothing else you need to do once you have sent back this form
