CHRISTCHURCH

1. The Environmental Defence Society Incorporated (**EDS**) wishes to be party to the appeal by Delegat Ltd (**Appellant**) on the Marlborough District Council's decisions on the Proposed Marlborough Environment Plan (**PMEP**).
2. EDS made a submission on the PMEPE in respect of matters raised in the appeal.
3. EDS has an interest in the proceedings that is greater than that of the public generally. EDS is a not-for-profit national environmental advocacy group. It was established in 1971 with the objective of bringing together the disciplines of law, science and planning to advocate for better environmental outcomes in resource management matters. It has been active in assessing the effectiveness of the Resource Management Act 1991 (RMA) and statutory planning documents in addressing key environmental issues
4. EDS is not a trade competitor for the purposes of s308D of the RMA.
5. EDS is interested in the Appellant's appeal point on Rule 3.3.13 relating to the cultivation of non-indigenous vegetation in the Rural Environment Zone.
6. EDS opposes the relief sought on the basis that a 1m setback on land sloping away from a river, lake or coastal marine area will not adequately address the adverse effects of cultivation on these waterbodies, as such effects are not limited to sedimentation.
7. EDS also interested in any other consequential relief relating to biodiversity, freshwater quality and quantity, natural character and landscape protection.
8. EDS agrees to participate in mediation or other alternative dispute resolution.
