Volumes 1 and 2 contain a combination of the regional policy statement, regional plan, regional coastal plan and district plan provisions. Section 80 of the RMA requires the Council to identify within a combined document the provisions that are the regional policy statement, the regional coastal plan, the regional plan or the district plan. The Council has identified each provision in the MEP with one of the following notations: RPS (regional policy statement), C (regional coastal plan), R (regional plan) or D (district plan). In some cases, policy may have both an RPS notation and a plan notation.
